and Monroe Institute
(b) Statement of Work Second Draft Technical Proposal for Sleep
Restorative Trainer Development and Field Evaluation

Gentlemen:

1. McDonnell Douglas Electronics Company (MDEC) requests a firm fixed price and delivery for Development and Field Evaluation of a Sleep Restorative Trainer per enclosures (1) (2) and reference (a) and (b) of this request for proposal. Prices are to be firm fixed price for 120 days after receipt by MDEC.
2. By reference here, enclosures (1) through (13) and references (a) and (b) are to be considered part of this request.

A DIVISION OF

3. Any exceptions to this request must be contained in seller's response to this request, otherwise, MDEC will consider seller's incompliance with all the terms and conditions of this request.
4. Seller is to address his response to this request so as to arrive at the sender's address as soon as possible, along with enclosures (6), (7), (9), (10), (12), and (13) duly executed. Enclosure (11) will be executed at the time of negotiations.

Very truly yours,

R.W. Hoffmann
Sr. Subcontract Administrator
